

Celebrate your Birthday at Blairsville School of Dance

A memorable party for everyone!

At BSOD, our professional dance instructors will serve as your party's hostess. All parties at our studio last two hours and include an upbeat dance warm up, an easy to follow routine to match your party's theme, and dance games. **NO EXPERIENCE IN DANCE IS NECESSARY!** There will be time for cake, presents, and more birthday fun to follow. We invite all of the parents to join us for the last 10 minutes to enjoy our special birthday performance. Parents have 30 minutes before and after the party to allow time for setup and cleanup.
